NOTES

File formatting penalties for other documents except for FMEA are inputted by judges in their final scoring of documentation.

PENALTIES

Late submission of any document by 0 to 7 days post-deadline will result in 10 pts deducted per day from the relevant report. Late or no submission of any document from 8 days post-deadline will result in the team's de-registration from the competition and inability to compete at the event. The team will be notified of their de-registration.

Incorrect naming of files will result in a penalty of 2 pts from that document score. Incorrect formatting of files (i.e. excess pages, incorrect header and footer layout for non-template documents, incorrect file type submitted) will result in a penalty of 1 point from that document per infraction.

No-show at the scheduled Q&A session without prior notification, at least 48 hours before time-slot, shall result in an additional 50 pts deduction from the team's overall score.
